Dedication

KILLED IN ACTION . . . 10,680 American soldiers in the Korean War.

In June, 1950, a war broke out in Korea. This was not a small civil war in an unimportant little country . . . this was a United Nations war in the fight against Communist aggression.

Americans have been fighting and dying for a year in a country 6,000 miles away. Why are they there . . . do they know what they are fighting for?

These men are fighting to preserve our democracy. No longer are they carefree boys but **men** protecting the world from forces which would rent it asunder; forces which seek to destroy the principles upon which our country was founded. Principles of **freedom, equality,** and **justice.**

The Johns, Joes, and Mikes who are dying on those far off battlefields are very young to die, but life is only a pure flame and we live by an invisible sun within us. The flame of their lives has been snuffed out but the sun that burned so brightly within them will continue to shine upon us, reminding us that they gave their minds and hearts and lives to a search for peace in a troubled world. As long as we continue to live in freedom it is our duty to cherish, guard, and believe in that freedom which was paid for with human lives .

To all the brave young men who have died in the Korean War to make the world safe for democracy . . . we dedicate our Courier.

MYRA WHITWORTH

Many students must have seen DAVID HOLMES and not realized that he was our swimming coach. Mr. Holmes came to Fenger from Austin High School in 1947. Although he was at Fenger only three years his presence will be missed.

Fenger has again bid farewell to a teacher who marched from the Old Curtis to the New Fenger. MARIE McCUTCHEON was assigned to Fenger in 1922, taught until 1938 and was "loaned" to the Bureau of Curriculum for nine years. She returned to Fenger in 1947 and resigned in December, 1950. Many people will miss the quiet understanding personality of Marie McCutcheon.

MARY C. OWENS was transferred to Fenger from Harper High School in 1939. She was a prominent figure in our language department, and flavored Spanish grammar with stories of the beauties of Spain and Mexico. All who knew Miss Owens were fond of her and hope she is enjoying her well deserved rest.

One of Fenger's most colorful personalities has retired. NORA B. STEVENSON transferred to Fenger from Lindblom High School in 1932. The Mount Vernon Branch will not be the same without Miss Stevenson's quaint humor and friendly manner.

We lost another fine teacher this year, MYRA WHITWORTH. Mrs. Whitworth was assigned to Fenger in 1926. She too injected a novel twist into her Spanish classes by teaching songs and telling stories of the places she had visited. We all shall miss her enthusiastic teaching spirit.

Those Who Have Served . . .

JOHN E. SENEY

Our Principal

Have you ever noticed a quiet-looking, unassuming man walking through the halls not saying much, but stopping occasionally to smile and nod to a passing teacher or a group of students? That man who likes the simple things in life is our principal, John E. Seney.

Mr. Seney has been at Fenger for about three years and during that time he has tried to bring the faculty and student body closer together. The production, "Kicks and Kapers" staged by the faculty, which we all remember, is a perfect example of his aim.

This aim for better relations and a friendlier atmosphere is not his only one. Mr. Seney has always strived to make Fenger stand out scholastically as well as in athletics. He has always tried through his warm interest and cooperation to prepare Fenger students today, for their achievements tomorrow.

Although he may not realize it, the graduates and the remaining students appreciate all that Mr. Seney has ever done for them.

JOHN J. KEHOE

Do you hear that hearty laugh echoing through the halls? That is our assistant principal, Mr. John J. Kehoe. Mr. Kehoe is the big, friendly man with that mischievous look in his eyes, always ready to laugh at the "tragedies" of everyday life.

Mr. Kehoe has the difficult task of making up the class programs each semester, as our students well know. Therefore, each semester he is busy talking to students, teachers, and counselors, trying to fit classes, studies and activities for three thousand people into nine periods a day.

We are proud of the job you're doing, Mr. Kehoe.

Today's Preparation

In truth William Shakespeare said, "all the world is a stage and all the men and women merely players." We are the youth preparing for the drama of "Life." We must be well prepared, for the success of the play hinges upon our ability to play our parts well. Through the years at Fenger we have rehearsed long and hard. Some have become adept in commercial and vocational courses so that they can take their places in those fields. Many have prepared and planned to continue in the halls of higher learning. Yes, we have rehearsed many things, studying, playing, growing, and developing our minds and bodies; but the most important thing we have learned at Fenger is to be good Americans. Fenger is a melting pot where all races, religions, and nationalities have come together to make a truly democratic school. We are playing our drama of "Life" before an audience of a world enveloped in turmoil and war. The only way to find peace in this seething furnace is through understanding among nations. By working for closer unity here in our own high school we shall be doing our part toward achieving that goal of peace. Are we prepared? Each one of us should check ourselves to find our weak spots because the rehearsal is almost over.

On stage everybody—the curtain is rising.

Hostess Club

The tantalizing aroma of coffee and tea from the Social Room tells us that the Hostess Club is serving again!

These girls, under the sponsorship of Miss Madeline Johnson, learn the knack of being gracious hostesses. Besides learning the proper table setting, center-place arrangements and many valuable tips on entertaining, they find time to enjoy their own social parties.

Each year in May, the girls give a tea in honor of their Mothers. Taffy-pulls, Christmas parties and Graduation parties are just a few of their many social activities.

Requirements for membership in this very worthy organization are one semester of Home Arts and a G or better average.

News Reps

Room 130 is fairly bursting with people and movement every Thursday morning when our News reps make their weekly appearance to collect their divisions' supplies of the Fenger News.

Each semester one representative from every division is elected to keep a record of subscriptions, collect money and distribute the newspapers. Being a News rep pays off in one's senior year when he may receive points for National Honor.

COUNCIL IN SESSION

Student Council

The Student Council is the hub of Fenger's social wheel. Room presidents, class officers and representatives from Fenger clubs compose the membership of this student organization.

The group is divided into various committees with definite duties to perform as outlined in the Constitution.

This year the Council's main goal was greater activity within the committees. The Assembly Committee planned a very interesting group of programs. $500 worth of new books were selected by the Library Committee and have already been placed on the shelves. The Fenger Day and Homecoming plans were made by those respective committees.

These are only a few of the many well organized groups which help keep our school running smoothly.

Under the guiding hand of Mr. William Reich and Miss Doris Blachly, the Fenger Student Council is a perfect example of democratic student government.

The lights are very dim. The orchestra is playing a soft tune. The crowd of Fenger students and alumni whisper excitedly, "The king and queen are coming." Suddenly, the ROTC honor guard marches in and the beams from the spotlights shimmer on their upraised, crossed sabers.

The very beautiful queen, Miss Dolores Kuhel, and the handsome king, Mr. Elwood Frigo lead the procession to the band stand where the coronation that marks the climax of this evening's festivities is to take place.

This festive occasion is of course the annual Homecoming Dance sponsored by the Fenger Student Council.

It was a night that will long be remembered by many past and present Fenger students, who are, I'm sure, looking forward to next year's gala celebration.

Girls' Glee Club

Every day during fifth and eighth periods melodious music can be heard drifting from room 249. These are the voices of the Girl's Glee Club.

Under the inspiring direction of Miss Irene Connor, the girl's receive training in their leisure time and also derive many hours of enjoyment through singing with the club each day and at their beautiful programs.

The Glee Club sings at the Christmas and Spring music festivals and at the June graduation exercises.

Some of the familiar songs which we love to hear the Girls Glee Club sing time and again are "The Italian Street Song," "Carmena," Schubert's "Ave Maria," and "The Lord's Prayer."

The Orchestra Ready for the Down Beat.

Orchestra

The orchestra has been and remains one of Fenger's highlights. All of us have enjoyed listening to the orchestra's beautiful arrangements and smooth renditions of familiar musical compositions.

The group has entered various city wide contests and the results are always quite good. Every year they sponsor and participate in the Varieties and also put on a school assembly.

The orchestra is under the direction of the very versatile and talented Mr. Neil Trimble.

Boys' Glee Club

The Boy's Glee Club is composed of twenty-eight boys who would almost rather sing than eat. They meet every third period and sing to their hearts' content.

Their director is Miss Irene Connor and it is easy to see why her boys are so fond of her. Miss Connor enjoys working with young people and her patience, understanding and exuberant enthusiasm is greatly appreciated by all who work with her.

Under this able leadership, the boys receive a greater enjoyment and appreciation of good music. The club sings at the Christmas and Spring music festivals and this year they hope to give an assembly program.

Some of the favorite songs of the Glee Club are "Parade of the Wooden Soldiers," "Ole Man River," "Skip to My Lou," and "Give a Man a Horse He Can Ride."

The Boy's Glee Club, though small in number, plays a vital part in Fenger's outstanding music department.

Concert Band

Passing in review once again is our band, led by its new director, Mr. Andrew Lumbrazzo. The band has done a very good job at the assemblies and the annual Varieties this past year.

This semester our band gave its first starlight concert on the west campus. I'm sure it was enjoyed by all who heard it. Perhaps this, too, will become a tradition at Fenger.

Choir

What could be more beautiful than the combination of bass, tenor, soprano, and alto, voices singing a beautiful musical composition? This delightful sound comes, of course, from the choir, directed by Miss Julia Mulligan. This group is in existence because the members like to sing for others and to get acquainted with the many types of music, including modern, sacred and semi-classical.

This mixed group is always ready to be of service at all times and under their fine leader present many well known melodies at the Spring and Christmas Festivals, the February graduation, and various other assemblies.

THE GRAND MARCH, CRYSTAL BALLROOM, SHORELAND HOTEL

The Prom

"Dancing at our prom, on a cold winter's night, dancing on and on," hummed the dancers of the January 1951 prom at the Shoreland Hotel. Their favorite tunes were played by Jimmy Day and they danced to them with stars shining in their eyes. But all too soon they played the song that meant the dance was over. And on they went to complete the night, then home to linger and dream of wonderful memories.

ATHLETICS

TITANS "50" FOOTBALL RECORD

South Section Champs

The Fenger High School coaching staff is one of the best to be found in the city and one that did a creditable job in leading the school's athletic program. Our outstanding football team was coached by Chuck Palmer and Harry Dixon. There is no doubt about it; Fenger turns out champion teams. Always a threat in competition again this year, our team has achieved a record of which Fenger may be justly proud.

Fenger's football team had a very successful season with a nine win-one loss record, losing only to Lane for the city championship. The South Side title was again achieved by the unsubmergeable spirit of team and school. The Titans won not only the title, but the respect and admiration of those on the teams that were played. This year Fenger's football team had three co-captains, namely Drea Hast, Frank Esposito, and Elwood Frigo.

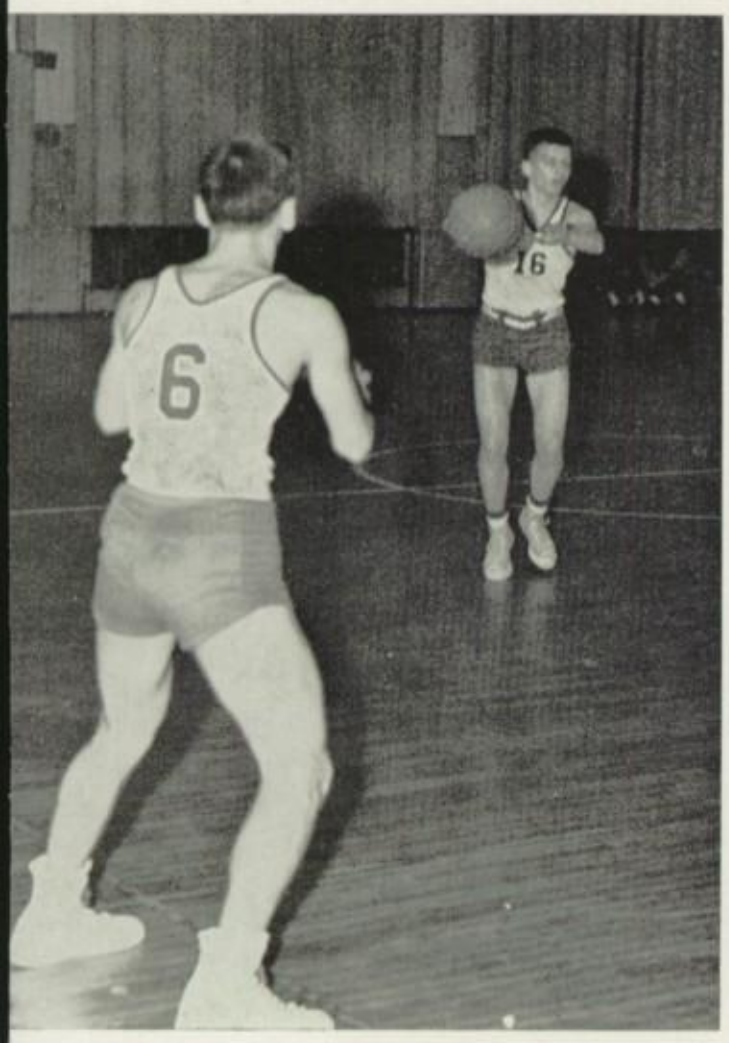
Playing tag?

Too many hands!

Get that rebound!

Fenger's basketball season had a very full program. Although Fenger didn't come out on top, they are teams of which we can be proud. The players on the sophomore team have one year of experience, which will greatly benefit next year's varsity team. The junior team, which is made up of boys who are 5'8" or less, had a hard season with 4 wins and 12 losses.

That short pass.



It's a foul!

What a scramble!

The senior team had a better season with a 10 win, 12 loss record.

Tossing the most baskets for the senior team was Culbertson, while Traverso was high scorer for the juniors. Sparked by the ability and coordination of Richard Culbertson, senior captain and Frank Esposito, junior captain, the teams on a whole had a successful season, ready for any challenge.

SEPTEMBER, 1950

Do you have plenty of spare time? Do you enjoy bike and walking hikes to points of interest, splash parties after school, and competing with girls in intra-mural games.

If so, join the G. A. A. For a fifteen cent membership fee entitles all girls to take part in the above activities.

The September 1950 officers were Margaret Mates, president; Lois Comstock, secretary; and Rose Mussachio, treasurer.

The G. A. A. Board, which originated in January 1942, in order to help the officers are Loretta Kesis, Patricia Parker, June Pomp, Carol Baumgartner, June Tracey, Barbara Comstock, Beverly Barr, Beverly Barz, Adele Murr, Pat Hupp, Sherry Lawson, and Mary Steinhauer, plus the officers. These girls were picked by the gym teachers and the officers for their past G. A. A. record.

G. A. A.

JUNE, 1951

The G.A.A. is not only play, but also hard work for the officers, the Board, and the members themselves. During the past semesters the G.A.A. has sponsored a 1B party to get the freshies acquainted with the organization and with each other, a Play Day for members in the G.A.A. of other schools, intramural volley ball games, hikes, and the annual swimming meet.

A girl may also earn points toward a Letter, by working in the locker room, the pool, helping the gym teachers, leading and going on hikes, and numerous things.

The officers for 1951, consist of Carol Sims, president; Anne Stevens, secretary; and Tina Newberg, treasurer.

Front Row: Gail Holmes, Marian Ellerie, Lillian Soroka, Joan Boand, June Pomp, Marilyn Lacotche, Edna Eckstrom, Victoria Brefka, Carol Baumgartner, Patricia Parker.

Letter Girls

The Letter Girls Club, now under the supervision of Mrs. Kitzmiller, is a prominent feature at our school. By participating in the different activities of the G. A. A. and giving their service to our school, these girls win 500 point pins and with the accumulation of 1000 points, receive their letters. They then work still farther for Chevrons.

These energetic girls meet after ninth period on Wednesdays, twice a month.

The officers of this past year were: June Pomp, president; Edna Ekstrom, secretary; and Sherele Glenn, treasurer.

One does feel very proud to be able to say "I belong to the Letter Girls Club."

"In all kinds of weather we always get together." That's the motto of the ever-ready, energetic cheerleaders.

These ten girls wearing bright red or green slacks and white sweaters appear at every football game to cheer our Titans on to victory.

Twice a week the girls can be seen practicing in the quadrangle, being led by their captain, Floy Rowley, and sponsored by Mr. Schroeder.

The girls who have returned from last season are: Phyllis Badaluco, Adrienne Bartolini, Phyllis Johnson, Janet Berg, Dolores Kuhel, Betty Lofvander, Floy Rowley, and Carol Slager. The girls who have had their first exciting experience on the field this season are Lillian Levri and Joan Sember.

Tomorrow's Achievement

We have started on the voyage of life, on the sea toward the port of our destiny. What lies before us? How shall we meet the problems and crises which occur on the "full sea" of life. In other words, what does the **future** hold?

The Future—a small word, but one that plays such an important part in our lives. How interesting it might be if each of us had a crystal ball into which we could gaze and see our lives before us. But this is impossible, and perhaps it is for the best; for think how dull life would become if we knew just what was to happen.

Many roads are before us, and each must make his own choice. As we step into tomorrow, some will take their place in industry, others in science, medicine, agriculture, and the arts. From every class the world will take the youth to fill the positions of engineers, laborers, farmers, doctors, lawyers, artists, educators and endless other important vocations. Each person is a cog in a giant wheel called the World, and each person is needed to make that wheel keep turning.

Some may attain greater fame or fortune than others. One day you may read in the newspaper of a brilliant engineer or a talented actress and say to yourself, "He was in my math class" or "She had the lead in the class play," and you will feel proud to have known that person. But no matter what you may profit, the important thing is that each person has his spot in the sun and each has much to give as well as receive.

Our graduation marks the ending of our adolescence and the beginning of our adulthood. From now on we have much to accomplish and many new worlds to conquer. The Future and Tomorrow's Achievement lie before us.

National Society Honor

The National Honor Society, meaning just what its name implies, is one of the three chief honors to be gained at Fenger.

Any senior in the upper third of his class and who has received points for service in activities or aid to teachers is eligible for membership into the society by a rating of character and leadership made by division teachers, counselors, class sponsors. Election is made from those students receiving the highest scores. The election is made by the principal and faculty members designated by the principal.

The activities in which this organization participates, under the sponsorship of Miss Isabel McKirdie, are the National Education Week and College Day.

Quill and Scroll

HIGH JOURNALISTIC STANDARDS . . .

The main requirements of the Quill and Scroll Society, is what makes the FENGER NEWS and COURIER such original and interesting publications.

Here at Fenger, our publications' sponsors have always tried to reach an outstanding goal, and through this aim the students of Fenger High have always had excellent coverage of the activities, work and play, at Fenger.

The students on the COURIER and FENGER NEWS staffs who have been able to meet the local and national requirements are the proud possessors of the Quill and Scroll pin.

The Phorex Society

Do you like to study and get good grades? Then you may become a member of the Phorex Society if you consistently work hard.

The requirements are "E" or better in major subjects and "G" or better in minors.

After 7¾ semesters, there is an award for the industrious students who have fulfilled these requirements. Miss Doris Blachly, the sponsor, then presents the students with jeweled Phorex pins that are theirs to keep.

Courier Staff

"TODAY'S PREPARATION, TOMORROW'S ACHIEVEMENT"

The theory this year in editing our Courier has been that we must start from some specific base. The beginning, of course, is the theme, "Today's Preparation . . . Tomorrow's Achievement." The layouts and writeups came next. This was accomplished by our editors and the other members of the staff. Of course, we needed an advisor, so Mr. Claude Smitter once again took on the responsibility of directing the staff.

However, our yearbook could not be a success without the help of our many supporters: our principal, John E. Seney; our assistant principal, John J. Kehoe; the faculty; the student body; Mr. Jaris and Miss Ruth Oliver of the Mt. Vernon Branch; our chief engineer, Mr. Beals; the stage crew, and our many friends in and about Roseland, who have contributed to our yearbook through their advertising. We would also like to express our appreciation to Mr. Fred Banks and Mr. Claude Smitter for the many, many hours of labor they put in on our book. To them, we, the 1951 Courier Staff, wish to extend our sincere thanks for their aid and cooperation.

Without the aid of our apprentice 4B staff consisting of Eleanor Foss, Gwen Hauge, Joan Kuhn, Ruth Laederach, Barbara Stegenga, Shirley Musick, Edgar Rosen and Arlene Willette, our book would have had many huge white spots; therefore, we wish to will to them the joy, success, and satisfaction of producing an outstanding yearbook next year when they are the "old Staff."

Here then, is the total sum of our effort. Your 1951 Fenger Courier—a record of our school activities for a year.

The Fenger News

EDITORIAL STAFF

The dream of any Journalism 2 student is to be a member of the FENGER NEWS Staff. This dream includes "stuffing" on Wednesday night, when the staff members capture the spirit of '76 and put the inside pages in the News; it includes staying in Room 130 on Monday nights until 4:30 so the old copy will all be neatly placed on the dummies and sent off to the printer; it includes Thursday mornings when the members of the News Staff **calmly**—open the paper to their pages and sigh over a six inch write up; and it includes the thrill of working up to membership in the Quill and Scroll Society, the ultimate goal of each staff member.

This is the dream that prompts our hard working team to do its best work, which is manifested in the fact that the news has been awarded a first class rating from the National Scholastic Press Association.

SUGGESTIONS FROM OUR STAFF

Your first position after graduation is important to you because it may set a pattern for others that follow. If you look only at the paycheck you may get in a rut that leads away from your chosen goal. If you take the first job offered just because it comes easily you may be off to a wrong start and lose the time spent on it.

Make a list of the types of work that you would like to do. Then strike out the activities that can be carried on as hobbies or avocations. Next, consider the preparation provided by your school days. Is it adequate? That depends on the character of the work you have chosen to do. You should like to study and should have done top-notch work thus far if you are to succeed in the difficult preparation for a profession.

So! You want a job now! What is next? We urge you not to "pound the pavements" aimlessly pushing door bells. We suggest that you consult an employment agency that is conducted on clean, honest principles by experienced people. You cannot conceive the amount of preparatory work the agency has already done for you by telephone, advertising, mail campaigns, and personal contacts in locating suitable positions for the right people.

Fenger High School

Father's Club

When the football season at Fenger starts, the Father's Club starts its campaign for membership. With the funds thus acquired, the club buys jackets for the boys. In recognition of their interest in the team, each member receives a reserved section consideration at the games.

Last season's officers were Mr. Charles Calder, Mr. Alphonse Gerat, and Mr. Harry Beals as president, vice-president, and secretary-treasurer, respectively.

ROSELAND COMMUNITY HOSPITAL

SCHOOL OF NURSING

111th STREET AND PERRY AVENUE, CHICAGO

PUllman 5-7800

The Roseland Community Hospital School of Nursing was established in 1924. The School is accredited by the Illinois State Board of Nurse Examiners and has affiliation with Children's Memorial Hospital and the Illinois School of Psychiatric Nursing, Chicago, Illinois, in psychiatric nursing, communicable diseases and pediatrics.

The Roseland Community Hospital, of which the School is a part, is a member of the American Hospital Association, The American College of Surgeons and the American Medical Association.

The Nursing School prepares young women through their training to meet the ever-increasing demands made upon the Professional Nurse of today; it maintains a high moral by a broad program of extra curricular activities, and graduates of the Roseland Community Hospital of Nursing are eligible for membership in the Red Cross Nursing Service and the American Nurses Association.

Roseland Community Hospital admits classes in February and September of each year.
